

Wireless
convenience.
Seamless
power.

Qi-Certified Wireless charger with fast-charging feature.

Beoplay Charging Pad is compatible with all Qi-enabled devices and supports both 5W and 10W. Fast charging capability quickly brings new energy to your devices.

The perfect companion for your E8 2.0, designed with matching colours.

Beoplay Charging Pad is a beautiful accessory for Beoplay E8 2.0 that enables convenient wireless charging of the charging case. It is carefully designed to visually complement E8 2.0 with matched leather colours and aluminium finish.

Elegant Bang & Olufsen design. Crafted from luxurious materials.

Rooted in a rich design heritage, Beoplay Charging Pad is crafted from aluminium and leather and takes charging pads to a new level, elegantly blending in with your interior space.

Works with all Qi certified phones.

Beoplay Charging Pad works with iPhone 8 and up so you can charge both the E8 2.0 but also mobile phones and other Qi certified devices.

Compatibility

All Qi-enabled devices including but not limited to iPhone XS Max, XS, XR, X, 8 Plus, 8, Samsung S9 Plus, S9, S8

Wireless Charging Frequency

V_{in}=12 V, 120 kHz-130 kHz;
for Qi Certificated EPP

Fast charging support

Certified EPP (Up to 10 W)*

Recognition Time

≤ 3 s

Connection Type

USB-C

Standby Mode Power

≤ 240 mW

Max. output

Apple: 7.5 W
Android: 10 W

Safety

- Short Circuit Protection
- Foreign object detection (FOD)

Input requirements

- 5 V/1 A: Qi Output < 5 W
- 5 V/2 A, 3 A, 4 A: Qi Output 5 W
- 9 V/1.67 A, 12 V/1.5 A: Qi Output 10 W

Operating temperature

0 to 40°C

COLOURS:

- Black
- Indigo Blue
- Natural
- Pink
- Limestone
- White

05.2019V01

*Please ensure that your power adapter provides 10W for fast charging. Using a 5W power adapter = 5W charging.
